

**ETHICS AND COMPLIANCE TRAINING  
FOR LOBBYISTS AND EMPLOYERS OF  
LOBBYISTS**

**Alaska Public Offices Commission**

# Who and What is APOC?

The Alaska Public Offices Commission (APOC) administers four disclosure laws:

- AS 15.13 Campaign Disclosure
- AS 24.45 Regulation of Lobbying
- AS 24.60 Legislative Financial Disclosure
- AS 39.50 Public Official Financial Disclosure

**Mission:** To encourage the public's confidence in their elected and appointed officials by administering Alaska's disclosure statutes and publishing financial information regarding the activities of election campaigns, public officials, lobbyists and lobbyist employers.

# About the Lobbying Law

Alaska's lobbying law (AS 24.45) provides that the public has the right to know the identity, income, expenditures, and activities of those who receive compensation or those who make payments in efforts to influence the actions of appointed or elected state officials.

# **Foundational Laws and Regulations for Lobbying:**

**Alaska's Lobbying Statute:  
AS 24.45**

**Lobbying Regulations:  
2 AAC 50.550 - 2 AAC 50.990**

**Important Definitions:

# APOC Ethics Training - Why ?

- Training is statutorily required for BOTH lobbyists and employers: **AS 24.45.031(a)(6)**
- Lobbyists **MUST** complete training as a pre-condition of registration: **AS 24.45.041(b)(8)**
- Training protects you from making errors if you didn't know the law and reduces your exposure to civil penalties

# Will This Course Teach You To Be Ethical?

The course shall: “promote adherence to high ethical standards” and “teach lobbyists and employers of lobbyists how to comply with laws.”

AS 24.45.031(a)(6)

# Ethics in Alaska - Prohibited Acts in AS 24.45.121:

## **Lobbyists may NOT:**

- Lobby prior to registering
- Place a public official under personal obligation to the lobbyist or employer
- Intentionally misrepresent facts to a public official regarding administrative or legislative action
- Influence the introduction of legislation in order to later be hired to lobby on the same issue
- Communicate with a public official in another's name without consent
- Accept a payment contingent on specific outcome of administrative or legislative action
- Serve on a state board or commission if an employer stands to gain from decisions of that board or commission

# Lobbyist - DEFINED

AS 24.45.171(11)(B)

Do you represent yourself as engaging in the influencing of legislative or administrative action as a business, occupation or profession?

If yes, then you are a professional lobbyist and must register with APOC **BEFORE** engaging in ANY lobbying activity

OR

# Lobbyist - DEFINED

AS 24.45.171(11)(A)

Do you receive payment (either as an employee or via contract) to communicate directly with public officials to influence legislative or administrative action?

AND

Do you communicate directly to influence legislative or administrative action for more than 10 hours in any 30 day period in a calendar year?

If yes, then you are an **other compensated lobbyist** and must register with APOC once you reach the threshold activity level of 10 hours in any 30-day period.

# DEFINITIONS

AS 24.45.171

## **“Influencing legislative or administrative action”**

Definition: to communicate directly for the purpose of introducing, promoting, advocating, supporting, modifying, opposing or delaying, or seeking to do the same with respect to any legislative or administrative action.

## **“Communicate directly”**

Definition: to speak with a legislator, legislative employee, or public official in person, by telephone, or by two-way electronic communication (including e-mail).

# Representational Lobbyists

## (2 AAC 50.550)

If you receive ONLY reimbursement for travel and expenses but no other compensation and are not employed by the person/group you are representing, you may be a representational lobbyist.

- You must register BEFORE engaging in any lobbying (the ten hour threshold doesn't apply).
- You are not required to file lobbyist reports or pay the registration fee.
- You are not required to take the lobbyist ethics course but are strongly encouraged to do so.
- **EMPLOYERS NOTE:** The entity reimbursing a representational lobbyist must file quarterly employer of lobbyist reports.

# You May Not Register As A Lobbyist If You:

- Have been convicted of a felony crime of moral turpitude
- Are the spouse or domestic partner of an Alaska legislator
- Are a former member of the legislature (must wait one year)
- Have held any positions listed in AS 39.52.180 (d) in the past year  
(Governor, Lt. Gov, Commissioner or Deputy Commissioner, Director, legislative liaison, certain policy-making positions in Governor/Lt. Gov office ... )

# Lobbying Law Exemptions

The lobbying law does NOT apply to you if:

You are NOT being paid or reimbursed

**AND**

You limit your activity solely to public sessions of the legislature or other public hearings or proceedings

# More Exemptions

- Elected or appointed state or municipal public officers, state/municipal employees acting in official capacity
- Newspapers, radio, TV stations, members of the press
- Persons appearing before the legislature or a committee in response to an invitation\*\*

\*\* AS 24.45.161(4)(c) specifies guidelines for issuing invitations that must be met to qualify for this exemption

# Lobbyist and Employer Reporting Schedule:

- **Lobbyists:** File monthly reports when the Alaska Legislature is in Session, and quarterly thereafter. Reports are DUE the last day of the month following the reporting month
- **Employers:** File quarterly reports year round regardless of whether the legislature is in session. Reports are DUE the last day of the month following the end of the quarter.

AS 24.45.081

# Monthly Reporting Impact on Quarterly Lobbyist Reports

If you have reported for one or more months in the quarter because the legislature was in session,

**DO NOT INCLUDE THESE TOTALS IN YOUR  
QUARTERLY REPORT OR YOU WILL BE  
DUPLICATE REPORTING**

“...The period covered shall not include any months covered in previous reports filed by the same person.”

-- AS 24.45.081

# What if My Report is Late ?

- **You are responsible for ensuring reports are filed timely.** Insight records a date/time stamp for reports once you “certify and submit”. Check your Insight account to ensure the report has been submitted and is not a “pending” form.
- Reports received after the deadline are subject to a civil penalty of \$10 per day for each day the report is late.  
AS 24.45.141
- Filers are entitled to file an appeal. If you do not agree with the civil penalty assessment, you may file an appeal within 30 days of the notice that you owe a CPA. Please review the Mitigation Criteria on the APOC website PRIOR to submitting an appeal.

# Lobbyists Must Report:

- Compensation for lobbying (fee, salary, other: stocks, car, etc.)

The \$250 registration fee is NOT compensation. This amount should be reported as a lobbying expense. (Either as reimbursable or non-reimbursable under “Other”.)

- Any payment/reimbursement received for a lobbyist related expense: “in consideration for or *directly or indirectly in support of or in connection with* influencing legislative or administrative action” AS 24.45.051(1)

Report your income and costs based on what you earned during the period (accrual method) rather than what you received (cash method)

2 AAC 50.570

# Which Non-Reimbursed Lobbyist Expenses Must Be Reported ?

- **Food/beverages:** If related to lobbying, must be included on the report. Does not cover food consumed in your home.
- **Living accommodation:** Report hotel or rental if for lobbying purposes or business.
- **Travel:** Report airfare and/or travel related to lobbying work, not personal travel.

# Lobbyist Report – Schedule A-1

Food & Beverage more than \$15.00 for each legislator, legislative staffer, or spouse/domestic partner of either are no longer allowable. Food and Nonalcoholic Beverages under \$15.00 are now only allowed under HB 44.

Schedule A-1 required Food & Beverage more than \$15.00 to be reported. Since lobbyist may no longer spend more than \$15.00, Schedule A-1 is not relevant.

# Gifts: Lobbyist Guidelines

The only gifts **lobbyists** may present to legislators or legislative employees are:

- Food or nonalcoholic beverage for **immediate** consumption \$15 or under (at a restaurant or the lobbyist's home are allowable)
- Tickets to a **pre-approved** charity event or contributions to a charity event on behalf of a legislator per AS 24.60.080
- Compassionate gift

# What is a “Compassionate Gift”?

“... a solicited or unsolicited gift intended to aid or comfort a recipient or a member of the recipient’s immediate family in contending with a catastrophe, a tragedy, or a health-related emergency.”

-- AS 24.60.075(e)

Compassionate Gifts must be pre-approved by the Legislative Council.

# Additional Disclosure Required on Lobbyist Reports:

- Gifts or series of gifts worth > \$100 to any public official (The cost of tickets to charity events must be included in calculating the total value of a series of gifts.)
- Exchanges of money, goods, services > \$100 with public officials or members of their immediate family or such exchanges with business entities known by the lobbyist to be owned or controlled by a public official

# Exceptions to Gift Giving Prohibitions

If the legislator or legislative employee is a family member, lobbyists may give a gift as long as:

- The gift is not connected to the legislator/legislative employee's legislative status

**AND**

- The recipient is a member of the lobbyist's immediate family as defined in AS 24.60.990(a) (Spouse/domestic partner; parent, child or sibling if financially dependent on the lobbyist) Note: "Spouse/domestic partner" is included in the definition, though an individual may not be a lobbyist if they are the spouse/domestic partner of a legislator.

# May Lobbyists Give Gifts to State Employees?

AS 39.52.130(a)

A gift from a registered lobbyist to “a public officer or a public officer’s immediate family member is “*presumed to be intended to influence the performance of official duties, actions, or judgment*” unless:

- the lobbyist is an immediate family member of the public officer. “**Immediate family member**” is defined broadly to include Spouse/domestic partner, child, parent, sibling, grandparent, aunt/uncle, parent or sibling of person’s spouse.

**Gifts to public officers and their immediate family members should be cleared with the designated executive branch ethics supervisor.**

**\*\* “Public Officer”** includes any state employee and is not limited to high ranking public officials.

# Prohibitions on Political Activities for Lobbyists, NOT Employers

AS 24.45.121(a)(8)

## A Lobbyist May NOT:

- Serve as campaign manager or director
- Serve as treasurer or deputy treasurer on a fundraising committee
- Host a fundraising event
- Collect or deliver contributions
- Engage in any fundraising activities

(does not apply to representational lobbyists)

- Lobbyists are allowed to contribute up to the yearly limit of \$500.00 to a legislative candidate in their home district. However, a **Form 15-5A** must be filed with APOC within 30 days of the contribution.

# Employer Reports: What is Disclosable?

- Fees, salaries, reimbursements for expenses paid to lobbyists: **Schedule A** - one for each registered lobbyist  
  
{Report the income and costs based on when services were rendered or what the lobbyist earned during the reporting period (accrual method) rather than what was paid (cash method)} 2 AAC 50.570 and 50.575
- All expenditures in support of lobbying, whether paid to employees (“in-house”) or vendors/contractors (“outsourced”): **Schedule B**
- Gifts to public officials exceeding \$100 in value

# Level of Detail Required for Schedule B Expenses for Employer Reports:

- Report any “payments made to influence legislative or administrative action” during the reporting period.
  - AS 24.45.171(13)
- Payments made to employees performing services that support the company’s legislative or administrative goals **ARE** reportable **regardless of whether the employee “communicated directly” with a public official** if the employee spends more than 10 hours per month directly supporting the employer’s lobbying goals.
  - (2 AAC 50.575)

# More Schedule B Guidance

(See AO 08-06-LOB at <http://doa.alaska.gov/apoc/Advisory/>)

- ✓ Employee compensation ... “for *or in connection with* direct communication with a public official”  
is reportable

-- AS 24.45.171(13)(D)

- ✓ General overhead costs: Payments to employees not associated with the agency’s lobbying efforts, not supporting a registered lobbyist or not supporting a project linked to the agency’s lobbying agenda are **NOT reportable** (i.e. payroll, technology, janitorial, admin staff not assisting lobbyist or lobbying agenda)

# Litmus Test for Schedule B “In-House” Employee Payment:

Does the employee engage in activities that:

- Influence legislative or administrative action?  
AS 24.45.061(b)(3);
- Provide support or assistance to a lobbyist or lobbyist’s activities for more than 10 hours per month? AS 24.45.171(13)(B) and 2 AAC 50.575;
- Are for or in connection with direct communication with a public official?  
AS 24.45.171(13)(D)

# Schedule B: “Lobbying Activity” vs. “In Support of Lobbying Activity”

REGULATION 2 AAC 50.575 (B)(2)

**Support of lobbying activity** includes but is not limited to, “research, drafting, preparation, or adaptation of documents”,

**Lobbying activity** includes communication “with any public official for the purpose of influencing legislation or administrative action”

-- AS 24.45.171(11)(A)

Employers must report the direct cost for each employee who expends more than 10 hours per month working in support of lobbying activity.

For employees working in support of lobbying activity, their 10 hours “resets” at the end of any given month. If this threshold is exceeded, you report all of the 10 hours.

For an individual doing lobbying activity, the 10 hours they are keeping track of is for **any** 30-day period.

# May Employers of Lobbyists Give Gifts to Legislators or Public Officials?

YES, since the gift prohibitions in AS 24.45.121 do not apply to employers.

**However:**

- Employers may NOT have their lobbyists give gifts to legislators or legislative employees since lobbyists may not: “*offer, solicit, initiate, facilitate, or provide ...*” a gift under AS 24.45.121
- Employers must report gifts to public officials over \$100 in value on their employer report form

# What About Employer Prohibitions?

- AS 24.45 doesn't contain an explicit list of prohibited acts for employers of lobbyists
- Employers do not have the same restrictions on their campaign activity or gift giving as lobbyists.

**Follow all provisions of AS 24.45**

# REGISTRATION: How do lobbyists and employers get started?

- BOTH the lobbyist and employer must register with APOC
- Follow rules for timing of registration
- All registrations must be done electronically in Insight

# Electronic Registration in “Insight”

## Insight Account Creation:

- Create a “MyAlaska” account . You may go to <https://my.alaska.gov/> or to the APOC website and click on the Insight Version 3 link on the home page.
- **WRITE DOWN** your user name and password
- You *may* use an existing MyAlaska account, but this is **NOT** recommended for employers due to staff changes and mixing up your personal account with your APOC reporting

# Electronic Registration in “Insight”

## Electronic Registration

- **Step 1:** Lobbyist fills out registration form and certifies it.
- **Step 2:** Employer will receive an automatically generated email, employer signs into Insight, reviews and certifies the registration (employer can make payment before certifying if they are submitting payment).
- **Step 3:** Lobbyist will receive an email notification that the employer has signed and submitted the registration and the registration will now be listed as submitted on the Lobbying Forms page.

A separate lobbyist registration statement must be filed for each employer or client.

Each registration statement must include the \$250.00 registration fee unless you are a representational or volunteer lobbyist.

Lobbyist registration is valid for the current calendar year only. This registration expires on December 31. You must file a new registration form each year.

If you are a professional lobbyist then you can simply move past this page. If however you are registering because you are going to exceed the 10 hours in any 30 day period threshold then you should select indicate this by selecting the middle button. In this case, the system will then ask you to indicate what date you reached your 10 hour limit of lobbying activity.

The third option is for those individuals who have not necessarily met the 10 hour threshold, but still want to register. Remember, if you register you are under the same prohibitions as a professional lobbyist in regard to campaign activities and gift giving.

Once the employer has signed into their Insight account and certified the lobbyist registration, this email will be automatically generated and sent to the lobbyist, indicating that the registration is now complete. You are now free to lobby for the duration of the year.

A couple things you should be aware of. If the employer changes anything in the compensation section or lobbying interest sections of the registration, the lobbyist certification will be revoked and the lobbyist will have to review the changes and certify the registration again in order for the process to proceed.
